SUPERDEPORTIVOS CANTABRIA
— Ciudad de Santander —

**A Classic Party?
You bet!!**

15-21 May 2019

Superdeportivos Cantabria is the biggest Supercar event in Spain every year. In 2014 Drive Espana informally took part and since 2015 we returned as full participants with a group of UK cars. We are looked after brilliantly and there is a car show, police escorted drive outs, receptions, gala dinners (with excellent food) and the chance to meet like minded owners as well as the car mad people of Santander and Cantabria. The event grows in numbers from when we arrive on Thursday to the Saturday climax with up to 200 cars. No need to worry about language barriers—the organisers lay on translators but most people we meet speak some English. The Spanish really know how to party—and this is a great party!

Wed 15 May	Morning departure from Portsmouth on Brittany Ferries Cap Finistere
Thurs 16 May	Arrive in Bilbao then drive 55 miles to Santander to settle into the Hotel Santemar. Most rooms have a sea view and this will be our base for the whole event. There will be an evening welcome reception so we can get to know our hosts
Fri 17 May	Meet at the Parque de Las Llamas (about a mile away) for a drive out with Police Escort to our lunch stop. Return at about 18.00 which gives ample time to prepare for the gala dinner and civic reception at 20.00 at the seaside Palacio de Magdalena two miles from our hotel
Sat 18 May	Meet at the Parque de Las Llamas at 09.00 for the car show and an 11.00 Drive out into the city followed by a gourmet lunch. After a couple of hours to recuperate we're all off to a night club for drinks, tapas and dancing
Sun 19 May	Meet at the Parque de Las Llamas for a drive out and lunch, or take the time to explore Santander, or go to the beach. There is usually a boat ride with cava and canapes
Mon 20 May	Mid afternoon departure from Santander Ferry Terminal on Brittany Ferries Pont Aven
Tues 21 May	Mid afternoon arrival at Portsmouth
