SUPERDEPORTIVOS CANTABRIA
Ciudad de Santander

**A Very Special
Weekend**

16-22 May 2018

Superdeportivos Cantabria is the biggest Supercar event in Spain every year. In 2014 Drive Espana informally took part and every year since we have returned as full participants with a group of UK cars. We are looked after brilliantly and there is a car show, police escorted speedy drive outs, receptions, gala dinners (with excellent food) and the chance to meet like minded owners as well as the car mad people of Santander and Cantabria. The event grows in numbers from when we arrive on Thursday to the Saturday climax with up to 200 cars. No need to worry about language barriers—the organisers lay on translators but most people we meet speak some English. The Spanish really know how to party—and this is a great party!

Thurs 17 May	Arrive in Bilbao then drive 55 miles to Santander to settle into the comfortable Hotel Santemar All rooms have a sea view and this will be our base for the whole event. There will be an evening reception and meal so we can get to know our hosts
Fri 18 May	Meet at the Parque de Las Llamas (about a mile away) for a drive out with Police Escort to our lunch stop. Return at about 18.00 which gives ample time to prepare for the gala dinner and civic reception at 20.30 at the seaside Palacio de Magdalena two miles from our hotel
Sat 19 May	Meet at the Parque de Las Llamas at 09.00 for the car show and an 11.00 Drive out into the stunning Cantabria countryside followed by a lunch at a restaurant. After a couple of hours to recuperate we're all off for drinks, finger food and dancing at a club!
