## Superdeportivos and the Picos. Great Party Trip

16-27 June 2021

We have been attending Superdeportivos Cantabria for a good number of years and it is always a great party, drive outs to the spectacular hills followed by lunches and dinners, boat rides, a black tie dinner, Michelin food. It's the best kept secret in the Supercar world although at least 150 cars will be there other than us! The event runs from our arrival in Spain until Sunday and then we've added five nights in the Picos de Europa. First a night in the imposing old monastery at Corias followed by a mountain loop and two nights at Gijon on the coast just 20 miles from the Fernando Alonso Museum—finally two nights at Fuente De, high in the mountains with a cablecar to get you higher! Great Party, Great Driving, Great Times

Wed 16 Jun	Morning departure from Portsmouth on Brittany Ferries Cap Finistere
Thurs 17 Jun	Arrive in Bilbao and drive 60 miles to Santander to join the Superdeportivos Group - this may be at a hotel outside Santander, but there will be a drinks reception and dinner
Fri 18 Jun	Drive through the spectacular Cantabrian Hills to a tourist spot, not set yet but we have been to wildlife parks, pre historic caves, ancient villages—places you would never find for yourself—then off to Santander for a reception and black tie dinner
Sat 19 Jun	In the morning a car show in central Santander followed by a parade and then off to lunch, often at the Casino which can seat 300 or so. Afterwards a siesta and then a coach will collect for an evening at a night club ( the coach takes you back as well)
Sun 20 Jun	Meet and drive out to Santander Bay for a boat trip around the bay with cava and canapés, followed by a farewell lunch and our last night in Santander
Mon 21 Jun	Drive 150 miles west along the coast to Corias, a huge monastery recently converted into a hotel with an Indiana Jones style entrance (People doing the weekend only have an afternoon ferry crossing)
Tues 22 Jun	Our next stop at Gijon is only 35 miles away—but we are planning optional routes that add up to 160 miles of stunning scenery—We have two days at Gijon so there is the beach or the Fernando Alonso Museum

Sun 27 Jun	Arrive Portsmouth early evening
